*The Queen's - Greg Hulse Soccer Memorial*  
*Senior All-Star Games*  
**Saturday May 28, 2011**

**Overview**

The Queen's Varsity soccer teams, with the support of the University and local High Schools, are holding the 6<sup>th</sup> annual high school soccer all-star games in memory of Greg Hulse. Greg was a member of the Queen's soccer team, as well as a former member of both the junior and senior Holy Cross soccer teams who passed away 6 summers ago. His passion for the game of soccer and for the schools he attended was immense, and we feel that an event such as this is important to pay homage to Greg. Also, as was evident in previous years, this event is a showcase of the talented soccer players in the Kingston and surrounding area competing at the High School level.
